ABOUT TLP

The firm Tax N Legal was founded in the year 2011. In a short span of time, Tax N Legal has established itself as a full service law firm with an expertise in direct and indirect taxes. Years of thriving existence and hard work has helped the firm in attaining dexterity in practice areas other than tax as well. The firm sees the growth of the Indian industries and its future economic prospects as the perfect opportunity for finding its niche in the legal fraternity. The immense success has prompted the firm to become a limited liability partnership and is now working in the name of Tax N Legal Partners LLP.

We at TLP believe in simplifying law and making it accessible to our clients. Our passion for the noble profession, belief in justice for all and utilitarian approach in issue resolution permeates through all the working professionals in the firm. We have a team of lawyers, chartered accountants and company secretaries who provide consulting, litigation and advisory services with superior efficiency and empathy towards our clients.

WHAT WE OFFER AT TLP

Experience of 20 plus years and zeal of a start-up, we at TLP provide a wholesome platform to law graduates. Ours is a full service law firm where we have charted out a dynamic program for interns that is expansive but not limited to legal training only. While undergoing training at TLP, a beginner will learn dynamics of work & time management, personality development, corporate awareness, interpersonal skills to name a few. Once admitted in our program, an intern will be responsible for handling projects independently, with guidance whenever sought.

WHO IS ELIGIBLE?

If you don't shy away from challenges and don't back down from hard work then you are eligible. If you aim high in life but have an interest in in-depth knowledge then you are eligible.
