About College

"We envision the emancipation and empowerment of women through value based education and enabling them to participate actively in the work of nation building and social reconstruction.

Sri Sathya Sai College for women, Bhopal is unique amongst the various college of Bhopal, as it was founded by Bhagwan Sri Sathya Sai Baba on the 4th of July, 1974 on the Guru Purnima day. The students of this institution not only concentrate on their studies but also on the development of the character so that they may serve as example to others and promote the ideals of Sai Education through their deeds and actions. The college offers Undergraduate and Post-graduate courses in Science, Arts, Commerce, Computer Science, Education and Law .

About Bhopal City

Bhopal is known for its laidback charm and is a part of the Malwa Plateau in the north-western part of Madhya Pradesh. The stately aura all around endows this town with a distinguishing appeal that never fails to impress even the most discriminating tourists. About Bhopal it is said that it is the city of lakes and it is quite true as by numerous exquisite lakes. Make sure that you have enough time in hand since there are many things to watch in Bhopal.

About Seminar

Fundamental duties are the essence of a democratic state like India. A nation cannot survive when the citizens are to take an active part and assume responsibilities for the best interest of the country. The fundamental duties are defined as the moral responsibilities of all the citizens to help and promote a spirit of nationality, unity and sustainable development. We need to review and analyze that the development of the nation is based on performing duties. It is important to give a synthesized approach to fundamental duties and

development concept. Keeping in view the call of the nation, we have selected the following subthemes for the seminar:

Sub-Themes of the Seminar:

- Historical Background and Significance of Fundamental Duties
- Fundamental duties and Role of Judiciary
- Relevance of fundamental duties in the area of education
- Importance of fundamental duties to develop the scientific temper
- Fundamental Duties as a major tool for protecting environment
- Fundamental duties essential for the economic development of the nation
- Fundamental Duties to value and preserve the rich heritage of Composite Culture
- Status of Fundamental Duties in the World
- Fundamental Duties and sustainable Development
- Inter Relationship of Fundamental Duties and Fundamental Rights
- Fundamental Duties and Sovereignty ,Unity and Integrity of India
- Fundamental Duties and Public Property
- Fundamental Duties and IT
- Any other relevant topic aligning with the theme of the seminar
