## THE NATIONAL YOUTH PARLIAMENT

9 February 2019 - 10 February 2019

---

Sansad The National Youth Parliament is a platform for youngsters from across the nation to present their views and ideas to help make India a better nation. Things in the country have come to crossroads where everyone is looking to the youth of the nation as the next generation of decision makers and parliamentary heads. With the voting age as 18, we, at Sansad strive to provide a medium through which youngsters can know of their rights and learn about the functioning of the parliament and the many proceedings that are to be followed in the houses. This Youth Parliament is an effort to simulate the parliamentary proceedings by providing a forum for youngsters

to participate in a healthy discussion and in the process raise stimulating questions on policy making through exchange of ideas and respectable debating.
