ABOUT SATHYABAMA Sathyabama Institute of Science and Technology (A Christian Minority Institution) formerly known as Sathyabama Engineering College was established in 1987 by Dr. Jeppiaar. It is a premier institute imparting knowledge in the areas of Engineering, Science, Technology, Law and Education. The institution's progress and contribution to the field of technical education for over two decades resulted in granting Deemed University status on 16th July, 2001. The University has been awarded as Category "A" University by Ministry of Human Resources Development (MHRD), Government of India and accredited by NAAC with Grade "A" in the year 2017, certified with DNV-GL ISO 9001 standard and offering exemplary education from last 3 decades.

Untiring efforts of staff, students and management and positive academic ambience prevailed in the campus had made University to be ranked as 2nd among Private Universities in Tamilnadu by National Institutional Ranking Framework, Ministry of Human Resource Development, Government of India. University also declared as one among the top 31 deemed to be Universities by the Times Higher Education Ranking and also ranked four stars in QS International Ranking in 2018.

The Institution has written a special page in the history of space research on 22nd June 2016 with the launch of "SATHYABAMASAT" in association with ISRO. Our motto is "TOGETHER FOR BETTER TOMORROW" and our mantra of success is "LEARN TODAY AND LEAD TOMORROW"

ABOUT SCHOOL OF LAW Sathyabama School of Law aspires to be an internationally-renowned centre for research and teaching in law. School of Law is dedicated in advancing human dignity, social welfare and justice through knowledge of law. School of Law offers B.A.LL.B (Honours), B.Com.LL.B (Honours) and B.B.A.LL.B (Honours) Programmes. Our courses are academically rigorous, informed by the latest research. Courses are taught by dedicated, efficient and industrious faculty and a cadre of intellects that includes respected judges and experienced practitioners. We work with a wide variety of groups including the legal profession, policy makers, research bodies and organizations. This reflects our strength in many fields of legal and socio-legal research and this give our students the opportunity to interact with internationally-respected scholars. Our programmes will prepare students for a career in the legal profession and beyond. The curriculum has been designed to provide with a strong foundation in the core subjects coupled with opportunities to pursue optional courses in areas of undergraduate's choosing.

One of the unique facets of the School of Law is the opportunity provided for students to take part in both national and international competitions. This allows students to expand on the knowledge obtained through the compulsory moot and internal competitions whilst also affording the opportunity to meet fellow students across numerous institutions. These will enhance the required qualities in the dynamic legal industry. Students will acquire the legal knowledge, skills and values needed to help others and to distinguish themselves by making a true impact upon the world.

ABOUT THE CONFERENCE: The Conference is for creating a unified foundation for the Sustainable Development, research, practice and education.
