# About the University

**National Law University and Judicial Academy, Assam** (NLUJAA) is a comparatively newer NLU situated at the gateway to the North East, **Guwahati**.

In the words of the Hon'ble Vice Chancellor of this university, **Dr JS Patil**, "NLUJAA is a young and vibrant National Law University striving to provide quality legal education." Set up with the aim of achieving the paradigm of legal excellence in the North East, NLUJAA was **set up by the Government of Assam** by way of passing the National Law University and Judicial Academy, Assam Act, 2009 (Act No. XXV of 2009).

NLUJAA is one of the 20 National Law Universities set up across the country. With over 19 Centres for excellence set up across the university, and Centre for Child Rights in association with **UNICEF**, one of its kind to be set up after the CCR in NLSIU; NLUJAA is bound to achieve its objective of excellence in legal education. NLUJAA has top notch facilities with audio visual system being used in order to impart education and National and International conferences being held in the university regularly. With such factors set in place, NLUJAA is surely one of the most promising avenues for receiving legal education in this country.

# About Aduj

ADUJ is the **literary and cultural fest** of National Law University and Judicial Academy Assam. After a successful inaugural edition, the promising event is back with a bang, with several new events under its belt. Situated in the cultural alleys of India, ADUJ has in its core imbibed a rich heterogeneous mixture of culture which it seeks to divulge to its audience in a spectacular fashion.

The various literary flagship events had been very successful in their first stint, drawing participation from all over the country. The Literary and cultural Committee of NLUJAA along with the organising committee for ADUJ is all geared up to present the second chapter of “Adwik Udjaapon” which stands for Unique Celebration.

The event in its first chapter was honoured to be associated with Artists and Performers of National and International repute and thus is all geared up to go a notch higher this edition. This April as the spring blooms in the valleys of Assam come witness a celebration of knowledge and art.

The Festival of grandeur is about to begin in Assam because we have decided to host our sporting extravaganza “**Abhiveera**” **simultaneously with ADUJ**. Let's gear up to celebrate we graciously invite you to our university.
