

## **Indian Road Safety Campaign, Solve**

First Floor, 262, Saidulajab, Westend Marg, New Delhi, 110030

### **2<sup>nd</sup> International conference on Safer Mobility**

#### **Road Safety Public Interest Litigation Competition**

Indian Road Safety Campaign, is the road safety initiative of Solve, a trust started by the students and alumni of IIT Delhi to solve the problems plaguing the society on the ground level. IRSC (Solve) is the largest youth led organisation working towards the mission of making Indian Roads Safer, focusing on reducing the number of deaths caused by road accidents across India by half till 2020.

An international conference is being held on 30<sup>th</sup> and 31<sup>st</sup> May, 2019 in New Delhi.

The objective is to provide students all over an opportunity to develop knowledge in the field of Road Safety, to contribute something effective.

Theme: The Panel will consider all relevant submissions which deals with the Road Safety Issues

Prizes worth Rs. 10000, trophy and certificates to be won!

As well as chance to Interns with our Legal Board Members from Supreme Court and High Court, Judges, The Top teams PIL will be filed in the Supreme/ High Court with the help and support of *Indian Road Safety Campaign*.

Winning submissions shall be invited to be presented at the Conference.
